The Opt-out/Working Bee fee is a fee that allows for a parent/guardian not to be asked to help at any working bees or events run through the pony club, however this fee does not get you out for helping during rally nights. For more information see section below.

Please highlight what fees you will be paying this season:

Registrations and fees are due on or before the 29th September 2017, unless other arrangements have been made with a committee member.

SECTION 3: Offers of Assistance/Opt-out

Parents/Guardians are requested to help on Tuesday nights and assist the coaches in anyway to help for the smooth running of our rally nights.

Since many hands make light work we expect parents/guardians and/or riders to assist for a minimum of 10 hours voluntary work over the working bees and events that are run through Wainui Pony Club over the season. A list of jobs for each event will be sent out and families can sign up for jobs they wish to help with and on the day a book will be supplied and the hours worked will be signed off by a committee member that has attended the event, this is to ensure that the workload needed to successfully run the events throughout the season is shared around evenly. If you are genuinely unable to help during working bees or events we ask for you to pay the \$150 Opt-out/Working Bee fee.

SECTION 4: Agreement

I have read and agreed to above conditions, I understand that for this club to run as smoothly as it can I am expected to do a minimum of 10 hours voluntary work over the working bees and events that Wainui Pony Club will host during the 2017/2018 season and will offer my assistance to coaches and the pony club on a Tuesday night to help with the running of the rally nights.

I give consent for my name, address, phone number and other information hereon, to be used in forming part of a membership list which may be published and distributed to other members and/or clubs.
